>> First of all, thank you so much for taking the time to come down
>> and help out with our safety day. I'm just going to give you a
>> little more detail on what's going on. I was told you could come
>> down at noon to 4:00. Basically what the Battalion is doing is
>> splitting up the battalion and rotating through 10 different
>> classes. I'm doing the class on low water crossings and that's
>> what I called you for to have a little more expert input on the
>> dangers of this. the classes will be about half an hour each. So
>> plan on having something to talk about for about 20 minutes. You
>> know, things like how flash floods start, what happens at low water
>> crossings, and the dangers of low water crossings, etc etc. Again,
>> thank you so much for taking the time to come out. My number is
>> 509-554-6629 and you can call me tomorrow for more info on whats
>> going on and where we're located. Thanks again.

Hey Ms. Apodaca,

Just following up with you on this Friday's Weather talk with the kids.
I should be there right at 1 pm depending on traffic. I will also try to get a camera guy to stop by and take some video for the evening news and give yall a shout out on there as well. I will see ya'll on Friday...
